look for some good walking shoes for Mom.

Dear Jim & Vickie,

I never seem to be over at the right time to catch on one of Dad's tapes, so I thought I'd write. It sounds like you're both still enjoying it there, and are doing a lot of sight-seeing.

Mom and Dad are getting excited for their trip. Wednesday, Mom and I are going out to lunch, and then night

I sure like it back here, and have a lot of things I plan to do. Diane and I went on a 3 mile hike a few weekends ago, which was so much fun. It reminded me of being up at the cabin! So, I've decided to join the Mountaineers Club with a couple friends of mine. They have all different levels of hikes, so I probably won't be

climbering mt. Rainier right  
away!

My classes start the  
31<sup>ST</sup> at Seattle Comm. Coll.  
in Auditing and Income  
Taxes, which I'm looking  
forward to. I'm also  
running every day!

Carolyn is coming in  
Wednesday night, and  
will be testifying in  
Tom's trial. So, it will  
be fun to see her.

We're enjoying your  
tapes, Jim. You should  
consider radio announcing.
